

ALSO AlayaCare Family Portal Access

Dear ALSO Consumer,

We are excited to announce that the AlayaCare Family Portal 2.0 is now available to consumers!

By signing-up for the Family Portal 2.0, consumers will have access to their daily schedule and information regarding their personal care. This portal also allows you to specify a family member to access your profile to help you track your care.

If you would like to view your schedule online through the Family Portal, or wish to designate a family member with access, please contact:
