Completing your accessibility compliance report

You must complete the mandatory fields on each page before you can move to the next page. Mandatory fields are marked with an asterisk (*).

To start, save the form on your computer. Be sure to open the form with the latest version of Adobe Reader. You can save the form at any point in the process and return to it later. You may distribute the form within your organization for input before submitting.

You need the following to file your accessibility compliance report:

- organization legal name
- 9-digit business number (BN9). This is the number that Canada Revenue Agency uses to identify your organization. You can find it on your federal or provincial tax return. If your organization does not have a business number (BN9), contact us to receive an AODA identifier to be used in place of a business number (BN9).
- organization category (Ontario Public Service/Ontario Legislative Assembly, Designated Public Sector, Business or Non-profit)

Note: If you select the wrong organization category, you may see questions that do not apply to you. You will need to correct the category and enter your data again to successfully submit your report.

- number of employees in your organization in Ontario
- name and contact information of your certifier (a director or senior officer with legal authority to say that the report is complete and accurate)
